**SPECIAL THANKS** to our families, friends, and fans who've helped us to bring this dream to life. Many thanks to local venues that have supported us including The Elephant In the Room (Healdsburg), Steele & Hops (Santa Rosa), Geyserville Gun Club, The Big Easy (Petaluma), Fern Bar (Sebastopol), Barley & Hops (Occidental) & The Redwood Cafe (Cotati).

This record would not have been possible without the beautiful soul & enthusiasm of Harry Gale. From big moves like capturing the band's sound to small gestures like letting us use his grandpa's vintage Gibson ukulele. He bathed this project in love. Thank you Harry!
